

BASA General Election 2012-2013

Mary Ann Rafael

vote.maryannrafael@gmail.com

Candidate for: Vice President Finance

Hello everyone! I, Mary Ann Rafael am running for the Vice President of Finance position for BASA (Business Administration Student Association). Please come, vote and show BASA and I some support! Now who is Mary Ann Rafael? I am a full time business student at the University of Winnipeg with a concentration in Accounting, a full time Cash Manager and Associate Office of Corporate Relations at BASA. My responsibilities at BASA include contacting and networking current and potential Corporate Partners who help provide events for business students throughout the year. I have experienced first hand the great opportunities available for business students and would like to continue to be a part of this progress and help BASA grow by providing business students with a number of resources that will help benefit their university experience.

The knowledge I've gained from taking Accounting courses, the skills from being a Cash Manager and the experience I've taken from being a part of BASA will help fill the role of Vice President of Finance. I will be able to plan, forecast budgets, and monitor the cash flow to ensure that day-to-day financial transactions are feasible and align with BASA's goals. I will also see to it that this organization does not go over budget and will leave a positive cash flow. If you have any questions or concerns do not hesitate to approach me on campus or via e-mail.
