

## **BASA General Election 2012-2013**

**Matthew Waldner**

**waldner-m@webmail.uwinnipeg.ca**

**Candidate for: Vice President Internal**

My name is Matthew Waldner and this is my 3rd year here in the Faculty of Business Administration. Since August 2011, I have been the Associate Officer of Communications for BASA and have learned from some of the best minds that this school has to offer. I have seen first-hand how much work goes in to the position of Vice President Internal and I know I have what it takes to take BASA to the next level. I have already undergone training for this position and believe that my skill set meshes perfectly with the BASA culture.

Currently, I am a co-owner of a Pet Valu franchise so I have real world knowledge that I can apply to this position. Over my time here at the University of Winnipeg, I have struck up friendships with both fellow students and faculty members that can allow me to make sure that everybody is on the same page. I am a determined, hardworking individual who will give my absolute best to ensure that students get the greatest university experience possible!
