

BASA General Election 2012-2013

Ravneet Grewal
ravneet@uwbasa.ca

Candidate for: Vice President Finance

Through pursuing a degree in Economics and Finance, and Accounting I have gained knowledge such as forecasting and valuating a firm's financial statements, which can be instrumental in fulfilling my role as Vice President Finance.

My previous work experiences have demanded of me to be extremely organized, an excellent multitasker, self-disciplined and a great communicator both verbally and written. I believe these are the skills one should possess to take on the position of VPF.
