

## **Intern, Graphic Design**

*Reports to: Executive, Business Administration Students Association Inc.*

Business Administration Students' Association Inc is an Intern for Graphic Design of general marketing materials and publication materials in a non-profit corporate environment. This position requires a person that is motivated by working in a non-profit environment.

Some tasks and responsibilities could include general assignments, marketing projects, photo editing, layout & design of publication and press and printing preparation.

This position is very flexible with schedule, and is meant to attract business students in their first or second year of their Bachelor of Business Administration Degree (BBA) to experience BASA. The right candidate for this position will want to be involved in student life on campus, with a willingness to promote the University of Winnipeg and Business Administration Students' Association Inc.

If you are interested in this position, we urge you to apply online at [uwbasa.ca/getinvolved](http://uwbasa.ca/getinvolved)! You can also view all the positions available, and read more about how we can work together to take your business education further.
